Ad Requirements:

All ads are subject to MHA review and approval and must be submitted two weeks prior to placement for review. The MHA reserves the right to refuse ads that do not meet the association's ad guidelines, specifications, principles and values. The MHA reserves the right to remove ads for failure to make timely payments. Approved advertisers, like all third parties, must first obtain written permission to reference or publish any MHA-owned content.

The MHA will not accept ads promoting or supporting candidates for any political/elected office or elected office holders, and no ads will be accepted from insurance companies.

Ads must be in .jpg or .png format and animations are not permitted. The ad must display fewer than 20 words and must use colors that have sufficient readability and contrast to be compliant with WCAG 2.1 AA web accessibility standards. To test if the colors in your ad have enough contrast, you can use the WebAIM Contrast Checker at webaim.org/resources/contrastchecker.

The purchaser maintains ownership rights of all ads. Invoicing will not begin until a purchaser's ad has been approved by the MHA. Payment is due no later than 30 days after the ad is live on www.mha.org or in MHA Monday Report.
