

Prior Authorization

Federal Election Commission Prior Authorization Requirement

The Federal Election Commission requires “prior authorization” before a solicitation on behalf of AHAPAC can begin. You may only grant prior approval to one trade association for any calendar year.

Granting prior authorization to AHAPAC does not preclude employees of your hospitals or health system from contributing to other local or state candidates, or even your organization’s own federal or state PAC.

The Federal Election Commission limits individuals eligible to be solicited for AHAPAC as salaried employees with executive, managerial or supervisory administrative responsibilities within the hospital or health system. These may include employees who have policymaking, managerial, professional or supervisory responsibilities. It cannot include unionized employees, hourly employees or contractors. Please consult your counsel with questions about who may qualify.

Please forward copies of prior authorization forms to Laura Werner via email at lwerner@aha.org or via mail at 800 10th Street, NW, Two CityCenter, Suite 400, Washington, DC 20001.
