What is Health PAC?
Health PAC is a nonpartisan, independent political action committee administered by a group of MHA-member hospital representatives. The committee helps ensure that every dollar contributed to Health PAC supports qualified candidates based on recommendations from the local hospital community and the candidate’s stance on issues impacting Michigan hospitals and patients. There are no administrative fees.

Who Can Contribute?
Employees who have policymaking, managerial, professional, supervisory, or administrative nonclerical responsibilities are encouraged to contribute to the Health PAC campaign. All contributions are voluntary and have no impact on job status, performance review or compensation.

Your contribution makes a difference to Michigan’s healthcare future.
