

Keynote Speaker:  
Dr. Kevin  
Ahmaad Jenkins

# Michigan **Health Equity** Summit

November 3, 2021, 9:00AM to 12:00PM EST

**WHAT:** The MHA Keystone Center has partnered with the Michigan Public Health Institute and the Michigan State University Institute for Health Policy to host a Health Equity Summit in Michigan. This summit aims to provide an update of state healthcare disparity data, explore how Michigan hospitals can continue to expand upon their work in eliminating disparities and highlight the work that select hospitals are doing to advance health equity for all Michiganders. The keynote speaker, [Dr. Kevin Ahmaad Jenkins](#), is a renowned advocate against racism and its effect on public health and breaking the social stigmas relating to racial injustice in healthcare. Dr. Jenkins will use his knowledge and skills to lead the summit discussion.

**WHO:** This program is designed for patient safety officers, quality improvement personnel, directors of patient experience or compliance, executive and clinical leaders, and health equity staff members.
