MHA
Michigan Health &
Hospital Association

We are moving forward together.

Across the Michigan Health & Hospital Association (MHA) and your institutions, the last program year has brought many things: the heartbreaking loss of thousands of Michiganders to COVID-19; enormous operational and financial challenges; and uncertainty and burnout among our teams. But it has also brought togetherness in a way we never could have imagined. Together, we have endured terrible stress and loss, and we have built resilience through listening and helping each other. Together, we are moving forward.

As the MHA plans for in-person events in 2022, we have created opportunities for you to connect face-to-face with hospital leaders and talk about ways your organization helped their teams overcome obstacles and build new approaches to healthcare delivery. The MHA Field Engagement team is ready to work with you to help achieve your organization's goals and connect you with Michigan's healthcare leaders. Please do not hesitate to contact Erica Leyko or another member of the MHA Field Engagement team with questions or to explore additional ideas you may have for sponsorship.

Thank you for your interest in MHA sponsorship opportunities. We look forward to partnering with you and seeing you and our hospital leaders in person in 2022!

Live events are the most powerful platform for learning and building meaningful relationships. The MHA is modernizing its events to produce better results by designing new formats, attracting a broad spectrum of leaders, creating different experiences and delivering unprecedented insight and knowledge.

Our sponsors are vital to helping conference participants emerge with innovative ideas and solutions to achieve their organizations’ goals. In turn, sponsors gain new customers, discover fresh leads and develop deeper relationships. We look forward to another rewarding, successful year with all our attendees, sponsors and partners!

The MHA sponsorship program gives you:

- An opportunity to foster positive relationships with new and current customers.
- The ability to attend content-rich conferences designed to enhance your understanding of the latest business models, technological innovations and trends.
- A chance to meet with providers and gain valuable insight into Michigan’s healthcare community.
- The opportunity to capitalize on a prospect-rich launch environment for new products and services.

Digital Reach

The MHA continues to grow its presence on social media as a way to engage with the general public, MHA members, legislators and more! Sponsors of MHA events are recognized across the association’s social media channels to provide additional visibility and value.

Who We Are

Based in greater Lansing, the Michigan Health & Hospital Association advocates in Michigan and Washington, DC, on behalf of healthcare providers and the communities and patients they serve. The MHA is a nationally recognized leader on initiatives that protect and promote quality, cost-effective and accessible healthcare. The MHA represents:

173 member hospitals,
of which 145 are community hospitals

20 health systems
(13 based in Michigan; 7 headquartered in other states)

85 teaching hospitals
7 public hospitals
74 rural hospitals
37 critical access hospitals

OUR MISSION

We advance the health of individuals and communities.

OUR VISION

Through our leadership and support of hospitals, health systems, and the full care continuum, we are committed to achieving better care for individuals, better health for populations and lower per-capita costs.

Examples of What We Do

ACCESS TO CARE

The MHA worked to ensure the Healthy Michigan Plan received full funding in the fiscal year (FY) 2021 budget and expanded Healthy Michigan to postpartum mothers to increase their coverage from 60 days to a full year, which supports the MHA's goals on health equity. The FY 2022 budget maintains full funding for the plan.

CORPORATE AND GRASSROOTS ADVOCACY

The MHA actively weighed in on 27 bills in the Michigan Legislature during the 2020-2021 fiscal year, each of which held implications for healthcare in the state. The MHA also worked with the Whitmer administration to continue the long-term agreement forged under the previous administration to fully fund graduate medical education, small and rural providers, and obstetrical care.

DATA STRATEGY IMPLEMENTATION

The MHA Data Services division has partnered with the Iowa Hospital Association to develop a customized solution for Michigan hospitals that will help the MHA reduce the cost of collecting hospital data, provide flexibility in the development of data collection systems and allow the MHA and its members to use new analytic tools to better understand the cost and use of hospital services.

SAFETY, QUALITY AND EQUITY

The MHA Keystone Center supports improvement efforts in Michigan hospitals, promoting transparency and implementing evidence-based interventions to further high-quality, safe care and lower costs. Nearly every Michigan hospital has also pledged to rid healthcare of racism and inequities, allowing all Michiganders to receive the high-quality and equitable care they need and deserve.

Circle of Honor Distinction

Organizations that make a considerable sponsorship commitment to the MHA will receive the highest level of distinction, the Circle of Honor award. To be eligible for the Circle of Honor award, your organization must contribute \$15,000 in sponsorship funding. This can be accomplished through a platinum sponsorship at the MHA Annual Membership Meeting or through combined sponsorship at the MHA Annual Membership Meeting and Breakthrough.

The Circle of Honor award winners are recognized each year at the MHA Annual Membership Meeting, which provides an exclusive setting and allows for recognition from MHA board members. Additionally, Circle of Honor award winners are recognized in promotional marketing communications throughout the year and on the MHA website.

MEANINGFUL OPPORTUNITIES: INVITATIONS TO CEO AND BOARD OF TRUSTEES EVENTS

The evening before the MHA Breakthrough event in February, a small group of healthcare CEOs and MHA senior leaders attend a dinner and networking event to discuss challenges facing hospitals and health systems. Circle of Honor sponsors receive a special invitation to send a representative to the exclusive event, allowing them to personally speak with leaders of Michigan's healthcare facilities.

The MHA Board of Trustees meets once a year to develop the association's strategies to fulfill membership goals. Circle of Honor sponsors also receive an invitation to send one person to a reception and dinner during the MHA Board of Trustees Strategic Planning Session in August. This is a special opportunity for face-to-face discussions with members of the MHA Board.
