## WHAT IS HEALTH PAC?

Health PAC is a nonpartisan, independent political action committee. MHA-member hospital representatives oversee the activities of Health PAC and help ensure that every dollar contributed to Health PAC supports qualified candidates based on recommendations from the local hospital community and the candidates' stance on issues impacting Michigan hospitals and patients.

**The mission of Health PAC is to promote and protect access to quality healthcare in Michigan. By participating in the annual fundraising campaign, you join a unified voice of healthcare champions from across the state who are advocating for Michigan hospitals, patients and communities.**

## WHY CONTRIBUTE?

To support healthcare champions at the state and federal level who are committed to addressing the needs of Michigan hospitals, patients and communities.

To advocate for policy that strengthens the healthcare workforce and advances the health of Michigan patients and communities.

To maintain a strong, unified political voice that informs decision-makers, raises key issues and counteracts anti-hospital interests.

## WHO CAN CONTRIBUTE?

Employees who have policymaking, managerial, professional, supervisory or administrative nonclerical responsibilities are encouraged to contribute to the Health PAC campaign. All contributions are voluntary and have no impact on job status, performance review or compensation.
