

MICHIGAN'S NEW PERINATAL & INFANT MENTAL HEALTH PROVIDER DIRECTORY

Goals:

- Make it easier for families to find services
- Support providers with referral connections
- Identify service gaps to inform advocacy and funding
- Post directory on Think Babies Michigan website

Want to be listed?

- You **must** be a provider (clinical or non-clinical) who offers Perinatal or Infant and Early Childhood Mental Health services in Michigan

The directory is made possible by the collective work of:
the Michigan Council for Maternal and Child Health,
the Michigan Association for Infant Mental Health,
Wayne State's Merrill Palmer Skillman Institute,
the Early Childhood Investment Corporation and Think Babies Michigan
